The Calender of events shown on the back page was prepared by Stephen McCrea for the Ulster Chess Union and is reproduced here with his permission. For this reason it does not make reference to the Greystones proposed event nor to the Leinster Individual Championships. Details of these events have not been made available to Fiacla Fichille.

Congratulations to Robert Pye - he took 2nd. place in a Swedish organised endgame study competition. See 'Both Useful & Ornamental' on page 11.
